## STRATEGIC PLAN REVISED - OCTOBER 2020

October 16, 2020

Greetings VOG Family,

Considering the most recent local guidelines and after much prayer and consideration, we have decided to revise our strategic plan.

As of October 26th, 2020, the following changes will go into effect:

### **GENERAL SAFETY**

**SOCIAL DISTANCING:** Students will continue to be reminded to keep a distance and avoid close contact with other students. However, they will not be lectured if they do not social distance.

**FACE COVERINGS:** Teachers will not be required to wear face shields on campus.

**LUNCH:** Students may come together for lunch and birthday festivities.

**CHAPEL:** VOG will allow in person chapel with a limit of no more than 2 members of each family, not including children. Also, please be mindful of others' personal space.

**FIELD TRIPS:** Field trips will be allowed. If parents do not want their child to attend a field trip or off-campus group event, the parent can use the normal opt-out procedure, by contacting the school and informing staff of their desire to opt-out.

On-campus supervision or instruction will not be available to students who opt-out.

All other guidelines stated in our [Strategic Plan for Reopening](#) will continue to be followed. When necessary, we will cancel field trips and/or in-person events in an effort to protect our students, staff, parents, and community.

Please don't hesitate to contact us to discuss any questions or concerns you may have regarding our revised plan.

Sincerely,
