

GUARDIAN RUN

AN OBSTACLE COURSE FOR KIDS AGES 4-12

FUNDRAISER 2024

Dear Sponsors,

Vineyard of God is striving to meet a need in the community and WE NEED YOUR HELP! Our Mission is to cultivate the servant-leaders of tomorrow in Bandera, and the surrounding communities, to be one with God and equip them to step into their callings through a Christ-centered culture and innovative education. By the Grace of God, VOG has grown from PreK 3 to 5th grade in the past 10 years. Our goal is to raise \$50K to be used toward Financial Aid in the form of the **Guardian Grant Scholarship and Guardian Angel Emergency Fund**. Guardian Grant allows VOG to become an option to families in the community to be able to have an innovative Christian education that financials might not have previously allowed. Guardian Angel goes beyond that to support families that fall on hard times throughout the school year. Will you partner with us in our mission to serve our community?

Here is what families are saying about VOG:

“The girls have been in school for just over a month and in my opinion have learned more academically in every area than they did the entire last year of school, and more importantly they LOVE going to school! That may be hard to believe, but VOG goes above and beyond the average academic day, and includes the Lord in each step.” -Current VOG Family

Thank you for your love and support!
