

GUARDIAN RUN

FUNDRAISER 2025

Dear Sponsors,

Vineyard of God is striving to meet a need in the community and WE NEED YOUR HELP! Our Mission is to cultivate the servant-leaders of tomorrow in Bandera, and the surrounding communities, to be one with God and equip them to step into their callings through a Christ-centered culture and innovative education. We are excited to announce that VOG is growing! MIDDLE SCHOOL has been added and is accepting applications for the 25-26 school year. VOG will now serve PK3-8th grade. Our goal is to raise \$45K to be used toward school supplies, Financial Aid in the form of the Guardian Grant Scholarship and Guardian Angel Emergency Fund. Guardian Grant allows VOG to become an option to families in the community to be able to have an innovative Christian education that financials might not have previously allowed. Guardian Angel goes beyond that to support families that fall on hard times throughout the school year. Will you partner with us in our mission to serve our community?

Here is what families are saying about VOG:

"Being part of VOG has been transformative for my child, not only in academics but in life skills and spiritual growth. I've watched him become more confident, compassionate, and driven, learning the importance of discipline and resilience. VOG has provided a supportive environment where he can thrive, overcome challenges, and celebrate accomplishments, big and small. It's empowering to see him apply what he has learned, both inside and outside of VOG. I'm truly grateful for the impact VOG has had on his journey and the positive influence it continues to be in his life." -Current VOG Family

Thank you for your love and support!
